On the Plan for private placement of shares

- *Pursuant to the Law on Enterprises No. 59/2020/QH14 passed by the National Assembly of the Socialist Republic of Vietnam on 17 June 2020, and its guiding documents for implementation;*
- *Pursuant to the Law on Securities No. 54/2019/QH14 passed by the National Assembly of the Socialist Republic of Vietnam on 26 November 2019, and its guiding documents for implementation;*
- *Pursuant to the Charter on the organization and operation of Phu Nhuan Jewelry Joint Stock Company ("**Company**"/"**PNJ**") dated 20 May 2026;*
- *Pursuant to the Resolution of the Board of Directors ("**BOD**") No. 620/2026/NQ-HĐQT-CTY dated 29 September 2026;*
- *Pursuant to other relevant legal documents.*

For the purpose of supplementing capital to implement future business plans following the adjustment of the product trade-in policy for goods previously sold and expected to be repurchased, as well as supplementing working capital for production and business activities, ensuring the liquidity capacity and financial stability of the Company, the BOD of the Company respectfully submits to the 2026 Extraordinary General Meeting of Shareholders ("**GMS**") for approval of the Plan for private placement of shares and related matters as follows:

1. Approval of the plan for private placement of shares:

1.1. Issuer: Phu Nhuan Jewelry Joint Stock Company

1.2. Name of shares: Shares of Phu Nhuan Jewelry Joint Stock Company

1.3. Type of shares: Ordinary shares

1.4. Par value of shares: VND 10,000/share

1.5. Offering method: Private placement of shares

1.6. Purpose of the offering:

- Implementing future business plans following the adjustment of the product trade-in policy for goods previously sold and expected to be repurchased.
- Supplementing working capital for production and business activities and other financial needs.
- The remaining portion (if any) shall supplement working capital and/or settle short-term loans of the Company.

1.7. Expected number of shares to be offered:

Maximum of 550,000,000 shares. The offering is expected to be implemented from Q4/2026 according to the timing specified in Section 1.15. The actual number of shares to be offered shall be decided by the BOD at the time of implementation on the basis of: (i) the specific offering price determined in accordance with the principles specified in Section 1.8; (ii) the actual capital needs of the Company based on the latest audited or reviewed consolidated Financial statements at that time; and (iii) the results of negotiations with investors, ensuring not exceeding the aforementioned maximum quantity.

The GMS assigns and authorizes the BOD to decide the specific number of shares to be offered on the basis of the principles in this plan.

1.8. Offering price / Principles for determining the offering price:

- Pricing principles: The offering price of shares shall not be lower than the average closing price of PNJ shares for 30 consecutive trading days on the Ho Chi Minh City Stock Exchange ("**HSX**") prior to the date the BOD approves the offering price, and simultaneously not lower than the book value per share ("**BVPS**") of the Company determined based on the latest audited or reviewed Financial statements of the Company as of the date on which the BOD approves the offering price.
- The GMS assigns and authorizes the BOD to decide the specific offering price, on the basis of the aforementioned principles, market conditions, business performance results, capital mobilization needs, dilution level, and the interests of the Company and shareholders, in accordance with the applicable laws.

1.9. Criteria for investor selection: Professional securities investors with financial potential, reputation, experience, and/or the ability to contribute to the development process of the Company; aligned with the development orientation and capital mobilization needs of the Company; and concurrently meeting the conditions in accordance with current applicable laws.

1.10. Target investors for the offering: Professional securities investors.

The GMS assigns and authorizes the BOD to search for and select target investors suitable to the criteria for investor selection.

1.11. List of investors eligible to purchase shares: Authorizing the BOD to select and decide the list of investors eligible to purchase shares who satisfy the aforementioned criteria for investor selection, and the number of shares offered to each investor.

1.12. Plan for handling unsold shares: In case the offered shares are not fully purchased by investors, the GMS authorizes the BOD to distribute them to other investors at an offering price not lower than the offering price approved by the BOD.

In case the share distribution period expires in accordance with the applicable laws and the shares are still not fully distributed, these unsold shares shall be canceled, and the BOD shall decide to conclude the offering.

1.13. Transfer restriction: The privately offered shares shall be restricted from transfer for a minimum of 01 year for professional securities investors from the completion date of the offering, except for transactions and transfers among professional securities

investors or execution in accordance with legally effective court judgments or decisions, arbitration decisions, or inheritance in accordance with the applicable laws.

The specific transfer restriction period is authorized for the BOD to decide.

1.14. Plan to ensure the share issuance satisfies regulations on foreign ownership ratio: Authorizing the BOD to approve the plan to ensure the share issuance satisfies regulations on foreign ownership ratio.

1.15. Expected offering time: From Q4/2026 to Q3/2027; the specific time is assigned to the BOD to decide and execute the offering after the State Securities Commission issues a written approval upon receiving the complete registration dossier for the private placement of shares.

2. Approval of the plan for utilizing proceeds from the offering:

The total expected proceeds from the private placement of shares will be balanced and utilized for the following purposes:

No.	Purpose of capital utilization	Expected capital utilization ratio
1	Implementing future business plans following the adjustment of the product trade-in policy for goods previously sold and expected to be repurchased.	60%
2	Supplementing working capital for production and business activities and other financial needs.	20%
3	The remaining portion (if any) shall supplement working capital and/or repay short-term loans of the Company.	20%
Total		**100%**

Expected disbursement schedule: 2027 – Q2/2028, after the completion of the offering. During the undisbursed period, the proceeds from the private placement of shares may be deposited with term at credit institutions in accordance with the applicable laws.

3. Approval of the increase of the charter capital of the Company corresponding to the total par value of the actual number of shares issued.

4. Approval of the amendment of the Charter regarding the new charter capital on the basis of the total par value of the actual number of shares issued.

5. Approval of securities registration and supplementary listing registration for the actual number of shares issued with the Vietnam Securities Depository and Clearing Corporation and the Ho Chi Minh City Stock Exchange.

6. Assigning to the BOD to deploy and execute the following tasks *(It is eligible for the BOD to authorize the Chairperson of the BOD and/or the Chief Executive Officer to deploy and execute):*

- Deciding the detailed issuance plan, supplementing or amending the issuance plan at the request of the State Securities Commission and/or for the purpose of complying with relevant legal regulations;
- Deploying and executing the offering, approving the offering dossier, and distributing shares in accordance with the issuance plans approved by the GMS;
- Deciding the specific offering price of the private placement of shares on the basis of negotiations and agreement with investors and complying with the pricing principles stated in this plan;
- Deciding the specific capital utilization plan and proactively adjusting the utilization of proceeds, disbursement timing, and capital utilization purposes if necessary and appropriate to the actual situation of the Company
- Selecting the appropriate timing to offer shares after the State Securities Commission notifies in writing of receipt of the complete registration dossier for the private placement of shares;
- Selecting and conducting verification of the qualification of professional securities investors, and approving the list of investors eligible to purchase privately offered shares in this share offering, and the number of shares offered to each investor. Searching for alternative investors who satisfy the criteria approved by the GMS in case investors in the private placement of shares do not register to purchase or fail to pay for shares;
- Deciding the transfer restriction period for the private placement of shares of each investor, ensuring compliance with the applicable laws;
- Approving the plan to ensure the share issuance satisfies regulations on foreign ownership ratio;
- Handling fractional shares and undistributed shares;
- Amending the Charter to record the new charter capital on the basis of the total par value of the actual number of shares issued;
- Implementing necessary procedures to register the charter capital increase with the Department of Finance of Ho Chi Minh City, registering supplementary depository for the actual number of shares issued with the Vietnam Securities Depository and Clearing Corporation, and conducting a supplementary listing of the actual number of shares issued on the Ho Chi Minh City Stock Exchange;
- Deciding other matters and performing other tasks that the BOD or the Chairperson of the BOD or the Chief Executive Officer deems necessary related to the private placement of shares.

The BOD respectfully submits to the GMS for approval.
