**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** Based on affirmative final determinations by the U.S. Department of Commerce (Commerce) and the U.S. International Trade Commission (ITC), Commerce is issuing countervailing duty (CVD) orders on steel concrete reinforcing bar (rebar) from the Socialist Republic of Vietnam (Vietnam) and Egypt.

**DATES:** Applicable **[INSERT DATE OF PUBLICATION IN THE *FEDERAL REGISTER*]**.

**FOR FURTHER INFORMATION CONTACT:** Erin Howard (Vietnam), at (202) 482-3453 and Lingjun Wang (Egypt) at (202) 482-2316, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, DC 20230.

**SUPPLEMENTARY INFORMATION:**

Background

In accordance with sections 705(d) and 777(i) of the Tariff Act of 1930 as amended (the Act) on July 30, 2026, Commerce published in the *Federal Register* its affirmative final determinations in the countervailing duty investigations of rebar from Vietnam and Egypt.[1] On September 11, 2026, the ITC notified Commerce of its final affirmative determinations pursuant

to sections 705(b)(1)(A)(i) and 705(d) of the Act, that an industry in the United States is materially injured by reason of subsidized imports of rebar from Vietnam and Egypt.[2]

Scope of the Orders

The product covered by these orders is rebar from Vietnam and Egypt. For a complete description of the scope of these orders, *see* the appendix to this notice.

Countervailing Duty Orders

Based on the above-referenced affirmative final determinations by the ITC that an industry in the United States is materially injured by reason of subsidized imports of rebar from Vietnam and Egypt, in accordance with sections 705(c)(2) and 706(a) of the Act, Commerce is issuing these CVD orders. Because the ITC determined that imports of rebar from Vietnam and Egypt are materially injuring a U.S. industry, unliquidated entries of such merchandise entered, or withdrawn from warehouse, for consumption, are subject to the assessment of countervailing duties.

Therefore, in accordance with section 706(a)(1) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, countervailing duties on unliquidated entries of rebar from Vietnam and Egypt. With the exception of entries occurring after the expiration of the provisional measures period and before the publication of the ITC's final affirmative injury determinations, as further described below, countervailing duties will be assessed on unliquidated entries of rebar from Vietnam and Egypt entered, or withdrawn from warehouse, for consumption on or after January 13, 2026, the date of publication of the *Preliminary Determinations* in the *Federal Register*.[3]

Suspension of Liquidation and Cash Deposits

In accordance with section 706 of the Act, Commerce will instruct CBP to reinstitute the suspension of liquidation of rebar from Vietnam and Egypt, effective on the date of publication of the ITC's notice of final affirmative injury determination in the *Federal Register*, and to assess, upon further instruction by Commerce, pursuant to section 706(a)(1) of the Act, countervailing duties on each entry of subject merchandise in an amount based on the net countervailable subsidy rates below. On or after the date of publication of the ITC's final injury determinations in the *Federal Register*, CBP must require, at the same time as importers would normally deposit estimated duties on this merchandise, a cash deposit equal to the rates noted below. These instructions suspending liquidation will remain in effect until further notice.

Estimated Countervailable Subsidy Rates

The estimated countervailable subsidy rates are as follows; all-others rate applies to all producers or exporters not specifically listed below.

**Vietnam:**

Provisional Measures

[4] Commerce continues to find the following companies to be cross-owned with Hoa Phat Group Joint Stock Company: Hoa Phat Dung Quat Steel Joint Stock Company, Hoa Phat Hai Duong Steel Joint Stock Company, Hoa Phat Hung Yen Steel Limited Liability Company, Hoa Phat Energy Joint Stock Company, An Thong Mineral Investment Joint Stock Company, Hoa Phat Iron and Steel Joint Stock Company, Hoa Phat Metal Producing Company Limited, Hoa Phat Prestressed Concrete One Member Limited Liability Company, and Hoa Phat Steel Products Joint Stock Company.

Section 703(d) of the Act states that the suspension of liquidation pursuant to an affirmative preliminary determination may not remain in effect for more than four months. In the underlying investigations, Commerce published the *Preliminary Determinations* on January 13, 2026.[5] Therefore, entries of certain rebar from Vietnam and Egypt made on or after May 12, 2026, and prior to the date of publication of the ITC's final determinations in the *Federal Register*, are not subject to the assessment of countervailing duties due to Commerce's discontinuation of the suspension of liquidation.

In accordance with section 703(d) of the Act, Commerce instructed CBP to discontinue the suspension of liquidation of entries concerning these investigations effective May 13, 2026 (the date on which the provisional CVD measures expired), and intend to instruct CBP to liquidate, without regard to countervailing duties, unliquidated entries concerning these investigations, or withdrawn from warehouse, for consumption on or after May 13, 2026, through the day preceding the date of publication of the ITC's affirmative final injury determinations in the *Federal Register*. Suspension of liquidation and the collection of cash deposits will resume on the date of publication of the ITC's affirmative final injury determinations in the *Federal Register*.

Establishment of the Annual Inquiry Service Lists

On September 20, 2021, Commerce published the *Final Rule* in the *Federal Register*.[6] On September 27, 2021, Commerce also published the *Procedural Guidance* in the *Federal Register*.[7] The *Final Rule* and *Procedural Guidance* provide that Commerce will maintain an annual inquiry service list for each order or suspended investigation, and any interested party submitting a scope ruling application or request for circumvention inquiry shall serve a copy of

the application or request on the persons on the annual inquiry service list for that order, as well as any companion order covering the same merchandise from the same country of origin.[8]

In accordance with the *Procedural Guidance*,[9] for orders published in the *Federal Register* after November 4, 2021, Commerce will create an annual inquiry service list segment in Commerce's online e-filing and document management system, Antidumping and Countervailing Duty Electronic Service System (ACCESS), available at https://access.trade.gov, within five business days of publication of the notice of the order. Each annual inquiry service list will be saved in ACCESS, under each case number, and under a specific segment type called "AISL-Annual Inquiry Service List."[10]

Interested parties who wish to be added to the annual inquiry service list for an order must submit an entry of appearance to the annual inquiry service list segment for the order in ACCESS within 30 days after the date of publication of the order. For ease of administration, Commerce requests that law firms with more than one attorney representing interested parties in an order designate a lead attorney to be included on the annual inquiry service list. Commerce will finalize the annual inquiry service list within five business days thereafter. As mentioned in the *Procedural Guidance*, the new annual inquiry service list will be in place until the following year, when the *Opportunity Notice* for the anniversary month of the order is published.

Commerce may update an annual inquiry service list at any time as needed based on interested parties' amendments to their entries of appearance to remove or otherwise modify their list of members and representatives, or to update contact information. Any changes or announcements pertaining to these procedures will be posted to the ACCESS website.

Special Instructions for Petitioners and Foreign Governments

[10] This segment will be combined with the ACCESS Segment Specific Information (SSI) field which will display the month in which the notice of the order or suspended investigation was published in the *Federal Register*, also known as the anniversary month. For example, for an order under case number A-000-000 that was published in the *Federal Register* in January, the relevant segment and SSI combination will appear in ACCESS as "AISL-January Anniversary." Note that there will be only one annual inquiry service list segment per case number, and the anniversary month will be pre-populated in ACCESS.

In the *Final Rule*, Commerce stated that, "after an initial request and placement on the annual inquiry service list, both petitioners and foreign governments will automatically be placed on the annual inquiry service list in the years that follow."[11] Accordingly, as stated above, the petitioners and the Governments of Vietnam and Egypt should submit their initial entries of appearance after publication of this notice in order to appear in the first annual inquiry service list for those orders for which they qualify as an interested party. Pursuant to 19 CFR 351.225(n)(3), the petitioners and the Governments of Vietnam and Egypt will not need to resubmit their entries of appearance each year to continue to be included on the annual inquiry service list. However, the petitioners and the Governments of Vietnam and Egypt are responsible for making amendments to their entries of appearance during the annual update to the annual inquiry service list in accordance with the procedures described above.

Notification to Interested Parties

This notice constitutes the CVD orders with respect to rebar from Vietnam and Egypt. Pursuant to section 706(a) of the Act. Interested parties can find a list of CVD orders currently in effect at https://www.trade.gov/data-visualization/adcvd-proceedings.

These CVD orders are published in accordance with section 706(a) of the Act and 19 CFR 351.211(b).
